CHOOSE YOUR JOURNEY

Seven guided journeys, scored to the outcome you choose:

RECOVER · ENERGIZE · RELAX
RELEASE · RECONNECT
ENVISION · EXPAND

Each session runs 25 or 50 minutes.

MATCHED TO YOUR GOALS THROUGH THREE PROGRAMS

ATHLETIC RECOVERY

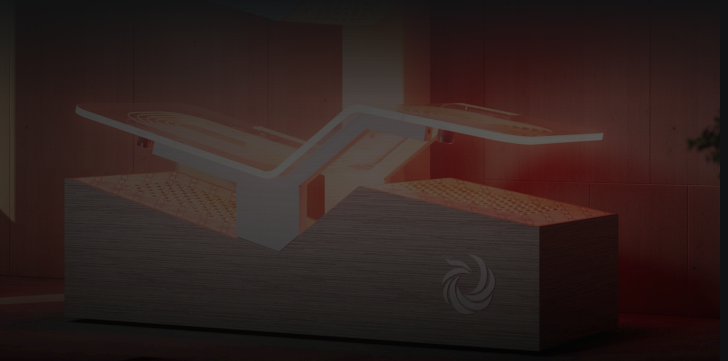

Timed to training, competition, and recovery windows.

NERVOUS SYSTEM RESET

For high-stress schedules and poor sleep.

LONGEVITY MAINTENANCE

Chamber sessions alongside hormone optimization, NAD+, IV therapy, and metabolic breath analysis.

HOW YOUR SESSION WORKS

01 **SETTLE IN.**
Your first visit includes a short orientation. You change in a private room before your session begins.

02 **RUN THE PROGRAM.**
A guided journey brings the five technologies together with breathwork and an original score.

03 **LAND SOFTLY.**
A brief wind-down closes each session.

Your session is private. Our clinical team sets your program and is close by throughout.

HOW OFTEN

Recovery and performance

About three to four sessions a week.

Stress and sleep

One or two. Up to 60 minutes a day.

WHAT IS INSIDE

01	Full body red and near-infrared light
02	Multi-wave PEMF and PEF
03	Inhaled molecular hydrogen
04	Full body vibroacoustic sound
05	Voice-guided breathwork
